Everything Bonsai Auction

October 8 to 11, 2020

BCI had to postpone its annual convention this year due to the pandemic. We are offering instead, an Online auction to raise funds to help support BCI's activities and programs. Members, all BCI friends, and the general public are welcome to join a special group on Facebook and participate in the first ever BCI Live Online Auction.

Our members and directors have donated an awesome variety of bonsai-related items, some are one-of-a-kind creations. This is your opportunity to bid on books, tools, sculptures, tables, suiseki, pots, garments and more. Some items include shipping costs. Most items require the successful bidder to pay for shipping.

Wow! The biggest donation yet is an Indonesian suiseki from Budi Sulistyo worth \$1000!

Pin collectors: Donna Banting has donated 4 amazing collections. One them is shown on the right.

A big thank you to Budi, Donna, and all the generous donors.

If you want your donation included in the auction catalog, you have one week to consider donating something bonsai related to the auction.

Donations received after September 16 will be added to the Online catalog, but will miss out on the wider distribution of the catalog published on September 21.

Please help us make this auction a big success!
